Prevention Team

Advisor: Ms. Sissom

Meeting date: 1st/3rd Thursday
Meeting time: 2:10-2:40

Limit of club attendees: 15

Description of Club Activities:

We promote drug-free messages by supporting our school/community to make positive choices through fun activities like poster-making, community activities, and lunchtime events. We participate in National Campaigns such as Red Ribbon Day events. We are taught information about ways to handle stress, peer pressure, decision making and other life skills, along with researching information about alcohol, tobacco and other drugs. Then we create ways to share preventative measures with our school/community.
Anime Club

Advisor: Mrs. Francis

Meeting date: Every Friday
Limit of club attendees: 15

Meeting time: 2:10-2:45 Fridays

Description of Club Activities:

We share our passion for anime and Japanese pop culture! Students can compare sketchbooks and chat about new series or even cool anime from the past! We explore the “rules” and traditions of how anime works, and explore where it came from! If your friends accuse you of being an “otaku” this is the place for you.

See you … 3rd Thursday of the month
Provide Your Own Materials

SEE A NEED FILL A NEED
Every year, CJHS students create a yearbook, the Tecumseh, and this year is no different… okay, it’s a little different, but we’re still makin’ a yearbook!

Club meetings will take place as Google Meetings before school from 8:00-8:40 on Tuesdays and after school from 2:00-2:40 on Fridays. There will also be occasional editor meetings on Thursday mornings from 8:00-8:40.

During meetings I will teach you how to use Studio Balfour, the online software we will be using to create our book. We will also discuss photography, layout and design, interviewing, and writing techniques. It is important to note that you will have to do work outside of the meeting times, such as taking photos, conducting interviews, and completing spread layouts.

Yearbook Club is open to both 8th and 9th graders. You will need to apply to be in Yearbook Club. If you are interested in filling out an application, email Mrs. Viafore at sviafore@upsd83.org and she will forward one to you.
Black Student Union

- Meeting date: Thursday
- Meeting time: 2:10-2:45
- Limit of club attendees: 15

Time: 12:00 until 12:30

Advisor: Mrs. Carey

If you like to build things and figure out how things work, this club might be for you. We use mathematics, engineering and science to solve problems and develop new things. Compete in regional competitions with other students in Pierce County.

If you are a techie or consider yourself part of the geek squad, this club could be for YOU!

“To prepare underrepresented students for higher education and careers in Science, Technology, Engineering, & Mathematics.”
